Grading

If the project proposal is completed and submitted, you will receive a score of 1/1 for this assignment. If the proposal form is not submitted, you will receive a score of 0/1. Your proposal grade will be factored into the evaluation of your *Fugue Analysis Project*.

¹ Choose one of the 48 fugues in J.S. Bach's *Well-Tempered Clavier*. If you wish to analyze a fugue, you may. Please discuss the details of this with your instructor.

² Recommended recordings are available on the class website under *Listening/Analysis*. The recording you choose will normally be a *high-quality* performance on a commercial label, or other noteworthy interpretation, that is available on YouTube.
